

Privileges & Duties National Delegates

EFORT - JOINT EFFORTS

To ensure a better relationship and cooperation between EFORT and its national member societies, EFORT would like to highlight the privileges and duties of a national delegate as follows:

PRIVILEGES:

- Free registration for the annual congress
- Listed as VIP for the annual congress (access to whole scientific programme and industry exhibition, invited to social events)
- Depending on activity, named "EFORT Scientific Advisor" or "Free Paper Moderator"
- Separately listed on the EFORT Portal
- If appropriate, possibility to distribute material through EFORT's net with over 30.000 addresses
- Influence EFORT activities European-wide

DUTIES:

- To build up the connection between the EFORT Central Office, the EFORT Executive Committee and the National Associations the delegates have to:
 - ⇒ actively participate in the forum discussions on the EFORT portal (starting 2009)
 - ⇒ actively participate in the EFORT annual General Assembly (at least with one representative)
 - ⇒ provide EFORT with a regular update about its national board and about their board meetings and activities
 - ⇒ Supervising for the payment of the membership fees of its national association according to their number of members
- To support the EFORT annual congress
 - ⇒ as Scientific Advisor in a special field:
